#KEEPWORKING

***Physical Performance Coach***  
***MSc (Barcelona)***

For over 30 years, experienced and innovative leader in High performance management for professional football. I have worked as a Football Fitness Coach, previously to the best clubs in the world, in Europe (FC Barcelona, Real Madrid FC, Atletico de Madrid CF) and Asia (Guangzhou Evergrande FC and Al Ain).

In the actuality I'm the Fitness Coach of Sevilla FC and Owner of Company Jordi Garcia Performance , Individual trainings professional players.

Throughout that time I have demonstrated the ability to be hugely successful in all of the roles I have occupied. An example is the success achieved with the Europe league and Europe Super Cup with Atletico de Madrid CF, and La liga trophy with Real Madrid FC.

In Real Madrid CF, I co-leading the project of Real Madrid TEC, High Performance Centre. I lead and coordinate the delivery of all aspects of physical preparation, recovery, injury prevention and rehabilitation football teams.

Highly skilled fitness coach and sports science, my main responsibility is to optimize our daily training process by using sound principles to improve performance and reduce injuries in our squad. I work closely with the coaching staff to optimally structure training sessions to enhance all facets of the game and providing with daily training reports. I look to utilize the appropriate sports-specific and non specific strength, energy system, nutrition, recovery to develop athletes that can cope with the demands of our team's playing style.

My extensive Knowledge of the various monitoring systems and performance assessments tools combine technology and analytics to monitor all players and optimize my methodology of training. Additionally, I'm the Performance Expert at Soccer System Pro, the big data software specific for organizations, leagues, teams, coaches and players.

Thank you for your time, and I hope that I will get the chance to meet with you and explain to you about my methodology and experience.
